

## Orchestra Pit

An **orchestra pit** is the area in a theater (usually located in a lowered area in front of the stage) in which musicians perform.. The conductor is typically positioned at the front of the orchestral pit facing the stage.

An orchestra pit can be any size, but it is usually big enough to fit a small sized orchestra or other small ensemble.

Chisholm, Minnesota, Orchestra group during 70th anniversary of Tyomies Society at Mesaba Park, 1973

Notes Part of the Finnish American Workers and Their Organizations Inventory of Three Photograph Collections organized and described by Timo Riippa and

Heather Muir with funding from the Wirtanen Family Fund and the United Fund for Finnish American Archives.
